

Carol Archer

January 12, 1945 - December 23, 2004

North Metro Chorus is deeply saddened by the passing December 23, 2004 of a much-loved chorus member, Carol Archer. Carol was a long-time member of our chorus, joining North Metro 30 years ago. Our chorus enjoyed her innovative choreography for many years and she was very involved in all of our shows, including our most recent one in September. One set of our show was "Les Miserables" and she assisted many chorus members with costuming, personally shopping for the bits and pieces that would enhance the individual look. Carol was given North Metro's Harmony Award, which is an honour, that indicates the respect and admiration the chorus has for the recipient.

Carol enjoyed a long fruitful career as a teacher, culminating in her attaining the position of Principal. Her husband, Harry, an avid fan of North Metro was very supportive of all of Carol's involvement with our chorus.

North Metro will miss Carol tremendously. We celebrate her Sweet Adeline legacy and join her family in grieving her loss. We extend our condolences to her husband Harry, sister Eileen, and her remarkable father Jim Kruzic who just celebrated his 101st birthday.

Hazel Dewsbury, North Metro Chorus
