

Dorothy Hofstetter

March 27, 1933 - August 14, 2014

North Metro members were greatly saddened by the loss of our Founder and dear friend, Dorothy Hofstetter. North Metro began with some 15 or so members, in the basement of Dorothy's home over 40 years ago. What began as a seed became a mighty tree! Dorothy spent her years in North Metro productively in many Board positions, including President more than a few times. She was a friendly, personable lady who endeared herself to everyone she met. Dorothy was also very active in Region 16, performing the duties of the Official OPL (Official Panel Liaison) and came to be personal friends with many of the judges who came to our region to judge contests. Dorothy held this important position for some 12 years.

North Metro will cherish all of the happy memories Dorothy left us. She was such a warm and caring personality and never failed to instill enthusiasm within the chorus members. Dorothy's husband Bill, a barbershopper of note, pre-deceased Dorothy by only a year and our thoughts and love go out to their family, two daughters Peggy and Kathy, son-in-laws John and Ed, and grandchildren, Megan, Michelle and Marcello. Dorothy will be greatly missed.

Hazel Dewsbury, North Metro Chorus
