

Lois Janet Walker  
Jan 1 1931 – Aug 1 2016

Lois joined Sweet Adelines in May of 1957. She was at first reluctant to join, as she objected to the phrase in our then constitution describing Sweet Adelines as an organization for "white Christian women".

She eventually did join, properly reasoning that it would be easier to affect change from within the organization than from without. She, among others was instrumental in having that particular clause eliminated.

Lois was originally a member of Oshawa Chorus, which morphed into Don Valley Chorus (now defunct). She spent the remainder of her Sweet Adeline life as a proud member of North Metro Chorus and was thrilled to win 3 gold medals with North Metro.

She became a 50 year member in 2007 and was honoured at International in Calgary, Alberta, Canada
