

Phyllis Keen

2007

It is with great sadness that North Metro announces the loss of another very treasured member. Phyllis Keen joined us in 1981 after 4 years with the Credit Valley Chorus. Phyllis was a most devoted member and a very 'special Lady' who had to deal with a heart problem for many years. Even though, on a few occasions she was unable to join us on stage, she would be in the audience cheering us on. Phyllis had just recovered from a stay in hospital due to her heart, when she was suddenly taken from us when her car was struck by another automobile on the highway near her home in Barrie. She sustained a number of injuries and broken bones, but mostly her heart could just not stand the strain.

We wish to extend to her very warm and loving family, of whom she was most proud, our deepest sympathy. We shared so many happy times and great laughter. Phyllis is greatly missed and always in our hearts

Maureen Philps and Edna Peaker - North Metro Chorus
